

WE CREATE
WINE THAT
BEST EXPRESSES
THE VINTAGE
AND THE FINGER
LAKES REGION

SUMMARY

Family Owned

For almost twenty years, our family has dedicated itself to our farm, our vines and our crops.

Three Pillars

The three pillars of our business are our Vineyard, our Wine and The Tasting Barn.

Location

Our vineyard is purposefully planted in the heart of the Finger Lakes, in the Town of Hector, on the southeast shore of Seneca Lake.

100% Estate Grown Grapes

Vineyard work has always been our emphasis. Our commitment to 100% Estate grown grapes is a reflection of our belief that wine should express its varietal, vintage, region and soil in which it is grown.

Dedication to Vinifera

We grow Chardonnay, Gewürztraminer, Grüner Veltliner, Pinot Blanc, Riesling, Sauvignon Blanc, Cabernet Franc, Merlot, Pinot Noir and Syrah.

Wine Style

Using the most traditional and hands-off approach to winemaking our intention is to create wines which truly reflect their origins. The result is wines that are not only drinkable on their own but pair perfectly with food. Our wines exhibit exceptional aromatics and a deliciously rich yet astonishingly elegant flavor profile.

100% ESTATE GROWN SINCE DAY ONE
